

**HALL OF FAME**

On the occasion of Rare Disease Day, EURORDIS invites rare disease patient organisations to participate in this year’s “Rare Disease Research Hall of Fame” by nominating a researcher who has contributed to advancing knowledge into their disease. To see an example go to NORD’s website [http://www.rarediseases.org/rare\\_disease\\_day/Hall\\_of\\_Fame](http://www.rarediseases.org/rare_disease_day/Hall_of_Fame)

If you would like to nominate an outstanding researcher or team of researchers, please fill out this form and send it to: **rarediseaseday@eurordis.org**

Name(s): .....

Place where the research is taking place: .....

Nominated by: *(name of patient organisation)* .....

Rare disease concerned: .....

Brief description of the project and why it is relevant : (400 words max.)

.....  
.....  
.....  
.....

Please provide a PHOTO of the researcher(s)  
Size: 200 x 200 pixels (min)  
Weight: 1MB (max)  
Format: .jpeg

Your contribution will appear on a dedicated section of the Rare Disease Day website. Content might be edited to concur with layout and space limitations.
